

2008 RIDE LIKE A GIRL!!!

Women's Mountain Bike Rides

Monday evenings 6pm

The Austin Ridge Riders are hosting a five month program of weekly Monday evening women's mountain bike rides, plus weekend rides at local mountain bike trails/parks. This is an opportunity to meet other women to ride with, learn new trails and learn new skills. Each ride will divide up into groups based on riders' abilities and speed and will have a beginner clinic/ride, intermediate, and advanced group rides. Rides will last 1 - 2.5 hours. Prizes and gift certificates from our sponsors will be raffled away after every ride.

Continuing in 2008 - RED HOT RIDES!!

All riders must wear a helmet, bring plenty of water,
And have a trail-worthy bike in good working condition.
